**FLORIDA'S PREMIER ARTS
EDUCATION CONFERENCE FOR
SCHOOLS AND COMMUNITIES**

**FLORIDA ALLIANCE
FOR ARTS EDUCATION**

OUR STORY

Since 1981, Florida Alliance for Arts Education (FAAE) has worked to bring schools and communities together to improve, enhance and promote lifelong learning, in and through the arts, from birth through adulthood.

The Arts are essential to the vitality and quality of life in schools and communities. Education is even more powerful when it includes arts instruction and broad-based cultural programs. As the statewide umbrella organization for arts education, we bring all forms of arts instruction together – music, dance, drama, visual art, literary arts and media arts. **FAAE touches thousands of lives each year, serving educators, administrators, students, families, artists, and advocates in rural and urban communities throughout Florida.**

FAAE has worked with leading institutions such as the Florida Department of Education and Florida Division of Arts and Culture, and supports statewide campaigns such as the Florida Grade Level Reading Campaign and the Florida Rural Economic Development Initiative.

EVENT DETAILS

THE SUMMIT

MARCH 7-9, 2024; HYATT REGENCY RIVERFRONT

Each year FAAE holds Florida's premier Arts Education Conference for educators, administrators, community organizations, and advocates around the state. The theme is Arts Empowered: Schools, Communities, Lives. These three days will offer expert speakers, workshop sessions for professional development and critical resources for arts education professionals from all over Florida. **Sessions are designed to inspire, invigorate and rejuvenate attendees.**

It is **critical now** that arts educators receive the support, learning opportunities, networking and sharing spaces and time for reflection and preparation they need in order to continue serving our students and communities with the incredible passion and dedication they have always offered.

We ask you to be a part of this support system by supporting educators from across Florida who in turn support exponentially more K-12 students.

Join FAAE in the **celebration and ongoing support of arts education in Florida!**
